

Making Your Medicare PLAN CHOICE

Make sure this plan is a good fit by reviewing the basics.

You're enrolled in Original Medicare, what's next?

Original Medicare is provided by the government and covers some of the costs of hospital stays (Part A) and doctor visits (Part B), but doesn't cover everything — you don't get coverage for prescription drugs or for routine vision, dental or hearing care. Depending on your needs, you may want to add on more coverage. When it comes to extra coverage, you have options.

Covers hospital stays

Covers doctor and outpatient visits

Your options for more coverage:

OPTION 1

OR

OPTION 2

Add one or both of the following to Original Medicare:

Choose a Medicare Advantage plan:

Medicare Supplement Insurance

Offered by private companies

Covers some of the costs not paid by Original Medicare (Parts A and B)

Medicare Part D

Offered by private companies

Part D covers prescription drugs

Medicare Advantage (Part C)

Offered by private companies

Part C combines Part A (hospital) and Part B (doctor)

Provides additional benefits

Most plans cover prescription drugs
